Dear Shantel,

Abbott House, a South Dakota non-profit registered with the attorney general's office, has a wonderful history of serving some of South Dakota's most needy children. We provide three levels of programming for girls 7 to 23 years of age. The organization focuses on healing past trauma and providing a rich educational experience so girls will turn their past experiences into strengths that will transform their lives.

In the past few years our program has initiated a number of strategic alliances to provide more opportunities and experiences for the girls we serve. This year we have partnered with Indian Motorcycle, KlockWerks and Helping with Horsepower™ to provide the girls with the opportunity to transform a damaged motorcycle as they transform their lives. This project provides a wonderful hands on approach to planning, team building, marketing and actually doing some mechanical work.

The final piece of this project is to sell raffle tickets and give away a beautifully rebuilt and redesigned motorcycle. We plan to sell raffle tickets in several South Dakota communities including Mitchell, Pierre, Deadwood, Rapid City, and Sioux Falls. The raffle will start March 30th and will continue until December 2017. All of the funds raised during this project will be returned to the Abbott House to support advanced education and counseling services we provide to the children we serve.

Thank you so much for your consideration. Please let me know is you should need anything else to make your decision.

Sincerely,

Virginia Wishard Lambert
